

CROSS COUNTRY SKIING AND SNOW SHOEING SEMINAR -2011

If you are the kind of hiker who would like to take extended trips during winter months, you should try cross country skiing or snow shoeing. Enjoy the challenge of high country winter travel with confidence. Learn firsthand knowledge of safety and techniques. It will allow you to expand your "places to go" during the snow season.

The program begins with an indoor workshop at 7:30 pm on **Monday January 10, 2011** at the Los Angeles Area Council Scout House. The program will include demonstrations and discussions covering the special equipment and gear needed.

The second part of the program will be a day outing in the local mountains. This will be Saturday January 15, 2011. For this outing, Unit leaders may bring their Scouts for a day of instructions By the Mt Pinos Ski patrol. Those who missed their outing from previous years should contact the Camping Department for information.
